What's that Babe? More visitors?

Well hello down there! Nice to see you up here in the **North Woods**.

Y'know, these woods and waters are near and dear to Babe and me.

But we weren't the first ones drawn here by the beauty and bounty of this place. People have been coming here for **thousands of years**. And what a story that is!

If you like, I can tell you all about it. Why, I've got tales about **lumberjacks** and Ojibwe and railroaders— even giant beavers and **50-foot fish**! What do you say we take a little trip, and I'll fill you in as we go.

The **best place to start** is at any one of our Kiosk sites on the Scenic Byway. Just check out our map and take your pick! Babe and I'll be waiting for you to spin some yarns and get you acquainted with our **Legacy of Legends, Lakes and Land!**

See ya down the road!

Celebrating 25 Years!
1998  2023

After the recent years' challenges, your Scenic Byway membership will support resuming activities and projects that enhance the communities and visitor experiences along the Byway route. We work to return many beloved traditions, and BIG things are always just around the corner!
